

"Labor Savings Devices"

Model BPRJB

REPLACEMENT JACK BRACKET

To Fit the Continental BesPress

ADVANTAGES:

- *Made from certified U.S. High Strength Steel*
- *Fabricated & machined from 1 ¼" & 1" thick plates that will not crack like cast steel*
- *Welds are sized for 100% penetration hence maximum strength is obtained*
- *Thicker center rib improves strength*
- *Dimensionally Interchangeable*
