

"Labor Savings Devices"

Model 730RLG

REPLACEMENT LINT GATE

To Fit the Continental 730 Press

ADVANTAGES:

- *3/16" High Strength Main Plate*
- *Unique 3/8" thick plate in crack zone at bottom of gate*
- *Vertical stiffeners are made from solid flat bar not low strength channel therefore doubling strength*
- *Vertical stiffeners run full length therefore keeping gate exceptionally flat*
- *Made from certified U.S. high strength steel*
- *Covered by full one year warranty*
