

*"Labor Savings Devices"*

# Model BPRTF

*REPLACEMENT TRAMPER FOOT*

**To Fit the Continental BesPress**

---

## **ADVANTAGES:**

- *Manufactured from high strength square tubing not channel*
- *Plug welded bottom cap adds even more strength to heavy duty design*
- *Dimensionally interchangeable*
- *Gate attachment brackets are bent to keep wing plates from twisting and bending sideways*
- *Set screws that secure all rods are easily accessible from front and rear of foot*
- *Symmetrical design allows Lint Gate attachment to front or back thus allowing Trumper Foot to be rotated 180°*
- *Unique curved bottom improves fiber distribution by forcing fiber to flow toward center of the foot away from box walls*
